DEDICATED
FEDERAL

IMPACT: State

Summary of Legislation: This bill provides that, for an imprisoned person to earn credit time for successfully completing the requirements for a high school diploma through correspondence courses, each correspondence course must be approved in advance by the Department of Correction.

Effective Date: July 1, 2011.

Explanation of State Expenditures: (Revised) This bill potentially reduces the time that Department of Correction (DOC) staff has to challenge earned credit time claims by some offenders.

DOC reports that offenders are attempting to buy diplomas from out-of-state correspondence schools and claiming earned credit time. This bill would specify that correspondence courses must be accredited by the Department of Education in the state where the entity is located.

DOC reports that in CY 2010 it was involved in 110 cases in which offenders claimed earned credit time after receiving diplomas from unaccredited correspondence programs.
